

JOINT CONFERENCE ON FORESTS AND WATER 2018

05 - 09 November • Valdivia, Chile

II Congreso Latinoamericano Bosques y Agua
V IUFRO Conference on Forests and Water in a Changing Environment

Promoting the integration between forest ecosystems, water and society

This joint meeting will help link dynamic developments in Latin American forests to a global community studying environmental change, forests, and water. It will provide a forum for experts on forest hydrology, watershed ecosystem management, ecohydrology, climate, and environmental change.
