

Wo. Chung, J. Sessions, K. Lyons, K. Wigginton (eds), 2021.

**Proceedings of the Joint 43rd Annual Meeting of Council
on Forest Engineering (COFE) & 53rd International
Symposium on Forest Mechanization (FORMEC):
Forest Engineering Family – Growing Forward Together**

27-30 September 2021, Corvallis, Oregon, U.S.A.

**Woodam Chung, John Sessions, Kevin Lyons, Karle Wigginton (eds.)
Concil on Forest Engenirering, Formec, IUFRO, 330 p.**

Theme 1: Human Factors and Safety
Theme 2: Education, Training and Workforce Development
Theme 3: Inventory, Remote Sensing and Precision Technology
Theme 4: Supply Chain and Logging Industry
Theme 5: Harvesting and Processing
Theme 6: Steep Slope Harvesting
Theme 7: Harvest Operations Planning
Theme 8: Forest Roads
Theme 9: Log Transportation
Theme 10: Environmental Impacts
Theme 11: Forest Biomass and Bioenergy
