Creative Commons License – Authors'rights Publication conditions

Revue d'élevage et de médecine vétérinaire des pays tropicaux publishes articles under the terms of the Creative Commons license "Attribution – Version 4.0 International"* to facilitate free, immediate and unrestricted reuse of its articles or parts of its articles, provided the original source is properly cited.

Creative Commons License

Attribution Version 4.0 International

This is a readable summary of (and not a substitute for) the license downloadable at https://creativecommons.org/licenses/by/4.0/legalcode

The term 'article' refers to an article, a review, a communication or any other type of material published in *Revue d'élevage et de médecine vétérinaire des pays tropicaux*.

YOU ARE FREE TO:

- Share Copy and redistribute the article in any medium or format
- Adapt Remix or transform (e.g. tables and figures) and build upon the article

The licensor cannot revoke these freedoms as long as you follow the license terms.

UNDER THE FOLLOWING TERMS:

- Attribution You must give appropriate credit¹ and indicate if changes² were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use. The author declines all liability in the event of improper use of his article.
 - ¹ Credit means that you must cite the source as follows:

Issued (or adapted) from, author's name (followed by et al. where applicable), year, article title, Rev. Elev. Med. Vet. Pays Trop., Vol., page(s), doi, CIRAD publisher [and provide a link to the original article], followed by the mention 'rights granted under Creative Commons License BY 4.0' [and provide a link to the original license: Creative Commons — Attribution 4.0 International — CC BY 4.0].

No additional conditions — You may not apply legal terms that legally restrict others from doing anything the license permits.

² **Changes** means that you must i) indicate if you modified the article and ii) retain an indication of previous modifications.

^{*} These terms are applied except for photographies and drawings published up to volume 65 (year 2012) for which reuse permission must be obtained from the authors.

terms of the Creative Commons license "Attribution – Version 4.0 International" and the conditions of the journal. Article Number: Names of all the authors: Article title: Name of the corresponding author: I, the corresponding author, warrant that the above-mentioned manuscript is entirely original, I have full power to make this grant, and I have included all authorship rights where applicable (e.g. in tables, figures derived from other works). I accept all the terms of the present document and testify that I have obtained the agreement from any and all coauthors to sign it on their behalf and mine. Corresponding author's signature:
